

Intro
Humbled by lack of ability

- Many will fail to convince Metics have
rights & should have no rights

- Look for 3 points

1st metics citizens is Ath. tradition

2nd: metics citizens will make us rich

3rd: metics citizens fight sports better

1) Ath. Tradition

- I can hear Callias shouting now "Do you
forget that A. were born from his hand
itself?" * Quote from Pericles on B&K

- Father farmed in shadow of Mt. Pentelicon

Part Welcome: Orestes from Argos

Melops from Corinth

Today Parmenides from Sicily, Herodotus

1 From Heliomachus, Aristippus of Cyrene

2) Metics make us rich

Lysias, shield factory

Gorgias, teacher of rhetoric

Neaira, prostitution

No Hurgios. What for?

Lysias → navy to protect his factory

Gorgias → dreams to adv. family & students

Neaira → children could use her wealth, not live in poverty

3) Make Athens well, strong

Aristarchus thinking how Pericles restricted citizens,

But he died of the plague

then there was war & civil war

We need forces sparta beat us

4) Conclusion

We need more ppl. in an orderly fashion

X quote on back

Let us make metics citizens
